Dear Doctor:

I want to invite you to attend the 10th edition of our *Chiropractic Law Seminar* series to **be held in Austin at the Granduca Hotel, 320 South Capital of Texas Hwy., Bldg, B, Austin, Texas 78746 on Saturday, September 8, 2018 from 8:00 a.m. to approximately 5:30 p.m. Lunch will be provided.**

This seminar is intended to provide you with all of the information your need about the SB 639 legislation passed during our 2017 legislative session that will now allow Texas chiropractors to co-own and operate a medical practice with a physician. We will also provide you with updated information on what's taking place within your Board of Examiners and the Texas chiropractic profession in general, as well as advice and tips to improve your billing, documentation, and office procedures to maintain a compliant practice. We will also address the current hot topic issues of concern to the Board of Examiners, what to fix, how to fix it and how to avoid a Board enforcement action.

Dr. Jeff Lewin is back with us and Jeff will explain how to operate your new MD-DC multidiscipline program in compliance with our state laws and make money doing it!! Dr. Lewin is now an independent chiropractic consultant and multidiscipline program coach and will be available to work with each of you in a one on one environment to address your specific needs. **Ms. Tia Aspra** of Financial Investigation & Reimbursement Management and **Ms. Kathy Jones** of NACA - Texas, will be providing tips on risk management, coding, credentialing, documentation and office compliance practices to ensure that your new practice complies with all state and federal laws, as well as our Board's regulatory programs. I will work with Jeff on explaining the ins and outs of the new multidiscipline program format, how to stay legal and avoid trouble – as well as providing you with an update on your Board's litigation, current regulatory issues of special concern to the Board and help solve any current legal problems you may have.

This *Chiropractic Law* seminar has been approved for **8 hours of CE credit, including the 4 hours of Ethics, Documentation and Jurisprudence required by the Texas Board of Chiropractic Examiners.** We have kept the cost low - **\$198.00 for doctors, \$79.00 for staff accompanying a doctor and \$98 for CA/staff attending without a doctor.** You will have the opportunity to obtain thousands of dollars worth of free legal information, consulting services and information on office procedures for a very low registration fee. Please return the attached form to register yourself and your staff - and give me a call (512) 996-8844 or send me an email (larry@larrylaurent.com) if you have any questions. We hope to see you in **Austin on Saturday, September 8, 2018.**

Yours very truly,
